ABSTRACT.

Appeals against the Survey Superintendent's order No 149 dtd 8-10-95; which is as follows:-

"Read:-

"Your petition dtd 10-9-95 praying for a fresh enquiry regarding the Kodagi Inam of Hoskere

The above Kodgi Inam was attached in the year 1872 and disposed of by the late Inam Superintendent."

States that the Kodgi Hoskere tank of Sirekarapanahally was built by his elders at a great cost; that the same used to be repaired by them accordi

according to the provisions of the Circular issued by the
Maharaja; that upon the formation of the Inam Department in reference for a small amount
1872, a statement was taken from the Petr regarding
Inamdar, but that no decision has been intimated to
as yet, the Inam being enjoyed by the Petr without interr
that a fresh enquiry was ordered in 1888; that though the
Deptt was requested to decide the matter no steps were t
the same during the Kodagi Settlement; and, that now he
formed by the Inam Deptt through the Amildar that th
had been attached in the year 1872.

He prays that the Kodagi may be restored to him on the
following grounds: ——

1 That as per orders of Govt issued during the time of
construction of Kodagi tanks, the tank under dispu
was built by the Petr's ancestors at a great cost.
2. That if the Kodagi Inam had been attached in the
1872, there was no reason why the Petr was allowed
the same since then.
3. That many Kodagis which were in the possession o
without ever being enjoyed by the owners were subse
handed over to them.
4 That much injustice is done to him regarding

Further prays that if the Kodagi Inam cannot

had decreed it is
unnatural that the
Govt should have
been furnished with
some explanation of
this unsatisfactory
delay - This mistake
is not the first-epistle
Kurd from the Kolar
District and it is hoped
that the present Dy Govt
will infuse activity
and promptness in the
working of this office.

The other unsatisfactory
feature of the case is
that the order of the Asst
Dy Commr directing the
Kodigi Ramiwas
not carried out. The
record duly cannot
be traced. The Dy Comr,
though requested twice,
has again failed to report
the action be took on the
receipt of the Govt order to
which this letter is a reply
but which does not make
any allusion at all to
the result of the further
investigation ordered -
The fact remains that
the Kodigi dar has continued

the last 29 years and
the Govt is asked to

Forwarding further particulars of the Korjis in Kolar District and requesting to grant adoption of Veerasandra Kalli Village, Bowringpet Taluk

Petition, dated 19th January 1901.

No. 5347-55—P. 895, DATED BANGALORE, 19TH JANUARY 1901.

ORDER THEREON—This report is a reply to Government Order dated 2nd March 1896, and the Government are compelled to conclude that the Deputy Commissioner could not have noticed the very long delay of more than four years in submitting what after all is a statement of the statistics of cultivation, as, if he had done so, it is natural that the Government should have been favored with some explanation of this unsatisfactory delay. This instance is not the first of its kind from the Kolar district, and it is hoped that the present Deputy Commissioner will infuse activity and promptness into the working of his office.

2. The other unsatisfactory feature of this case is that the order of the Inam Superintendent directing the resumption of this Kodagi Inam was not carried out. The record itself cannot be traced. The Deputy Commissioner, though requested to do so, has again failed to report the action he took on the receipt of the Government Order to which this letter is a reply, but which does not make any allusion at all to the result of the further investigation ordered. The fact remains that the Kodagidar has continued to enjoy his Inam during the last 29 years and the tank is reported to have been maintained in an efficient condition. Under these circumstances it seems hard and inequitable to give effect to the Order of 1872 and deprive the Inamdar of his Inam holding which he has still in his enjoyment. Before passing final orders in the matter, however, these papers will be sent to the Inam Superintendent, who will favor Government with his views after a consideration of the facts above set forth. The favor of an early reply from the Inam Superintendent is solicited.

Sir,

With reference to Government Proceedings No. 7859-66 dated the 2nd March 1896, calling for further particulars regarding the Kodagi inam lands of Sowkile Nelumma & Ganpadayya of Siddapuranahalli Village, Bowringpet Taluk, I have the honor to enclose herein a statement which furnishes the required information.

2. It may be observed therefrom that the total extent, as per Survey, under the land in question is 28-38. The area of cultivated lands has been 0-2 to 16-28 leaving 2-11 as uncultivated waste at the end of the year Plavanga. This is the land that the land is in an efficient condition and the Amildar who inspected the land Certifies to that effect.

The documents papers are herewith submitted for further reference and obliging return when no longer required.

I have the honor to be,
Sir,
Your most obedient Servant

Deputy Commissioner

It is hoped that the pre-sent by Court will in-fuse activity and in promptness into the working of his office.

2). The other unsatis-factory feature of this case is that the order of the Inam Settlement directing the resumption of this Kadigi Inam was not carried out. The record itself cannot be traced. The by Court though re-quested to do so, has again failed to report the action he took on the re-ceipt of the Govt order to which this letter is a reply but which does not make any allusion at all to the result of the further investigation ordered. The fact re-mains that the Kadigi-dar has continued to enjoy his Inam during the last 29 years and the lands is reported to
